

Monthly Meeting

Date: 10-05-2013

Location: 3325 West 3800 South, WVC, UT 8419

Time: Around 1:15 PM

Present: President, Vice President, 2 Priests, 2 monks, 5 directors.

Topics covered at the meeting.

1. President, Vanny, asked to update scheduled events with him when he is out of town so that he knows what is going on at the temple. Committee suggested that he will be informed by phone from vice president, priests or one of directors.
2. Priest, Kim Yin, went over By-Laws written in Cambodian and Director Laneth helped to confirm that all main clauses are in the new By-Laws. Only 2 clauses are not in new By-Laws and they are not relevant anyway since the provisions are within temple internal policy.
3. Priest, Sareun, has a request from a monk in Santa Rosa, California, the monk wishes to stay temporarily at our temple.
4. Director Laneth suggested that our committee should try one year trial period if the monk's stay is good with the temple and our community.
5. Director Paul suggested that there should be an agreement between the new monk and our temple in case things are not working out, the monk has to move back to where he comes from or another temple.
6. Our 2 current monks, Sarith and Somrith agree with majority of committee decisions concerning the new monk's sponsoring.

Meeting Adjourned at 2:45 PM.
