Property Tax Issue –Ray Hour

- Ray responded to the Salt Lake County Assessor inquiry on the back tax issues related to the old organization name. Ray met with Terrie Sherbon, Deputy Auditor- Tax Division at the Salt Lake county Auditor's Office on Wednesday, February 12, 2014 at 1:00 PM. Due to the old organization failure to file proper documentation with the Salt Lake County Assessor within the last few years, the auditor is revoking the non-profit status of the old organization. Going forward, the auditor indicated that she would not hold the UCCBT responsible for back taxes since the property was legally transferred. However, the issue related to the organization failure to file the required documentation will be forwarded to the State District Attorney for review. The outcome of the review will be available within 4-6 weeks. The auditor requested some documentation from the UCCBT and Ray had provided all the items as requested.
